Huzrai Department

SIR,

Referring to your memo No 1043 dated 10th April last, forwarding for report, a petition from certain Sivachar residents of Nanjangode, praying that cooked food might be supplied to travellers of their sect, I have the honor to state that the Huzrai officer to whom the petition had been referred, reports that cooked food cannot be supplied to Sivachar travellers, that the feeding of Jangams in the Ganaradhane Chatter was discontinued in 1881-82, owing to increase of pilgrims of Bhyraji sect visiting Nanjangode and Gundlu to whom rations are being given.

His is dis-

of the Jangams as happen to come to the Chattram, instead of feeding them as the amount allotted for the purpose was found insufficient

The petition received with the memo is herewith returned.

I have the honor to be

Letter from Thomas Nat Khadri & Mr. Hall
Statement of Syed Meeran Shah Khadri
Genealogical Tree -

Chicmuglur
2nd September 89

My dear Sir

I asked Mr Rajasundra Rao & other
what information he could about Thomas
Nat Khadri against my return to
Chicmuglur. The result is rather
disputed.

The enclosed Genealogical Tree
shows that the Petitioner is the Grandson
of these brothers, and the boy whom he
wishes to adopt is his eldest brother's
son's son - that is Peter's Grand nephew

The boy's father named Syed Meeran
Nat Khadri who is Peter's nephew, has
given the enclosed Statement but
with some reluctance as he does

not with (apparently) fresh difficulties.

From this statement it would appear that although Peter is in the full & undisputed possession of everything which he ever desired & seems for his adoption, Peter is nothing & knows that he has himself never desired or sought, and the presumption is that he never has

Syed Nurun Nabi Khadri says that he has no place or at Sadi in 1862 or 1863 in succession of his brother Montazir Nabi Khadri under whom Peter from the Chief Commissioner. He seems of this special ceremony he seems considers himself entitled to designation Shahzada Sadi Nishan", a title which

it will be proper, & Peter does not apply himself in his statement carefully to the petition.

Why Syed Nurun Nabi Khadri has allowed himself the to complete effect is not apparent, and he is not disposed to be communicative. The parties are quite close & an understanding in favor of the elder & more influential man. But the time has now come when to knock appears & think that the complaisance of the Rajkumar should be rewarded by securing to succession for his son, and then seems the no reason why the petition should not be recognized as placing the

to t position of heir apparent & all ye honors, emoluments & responsibilities his adoption of him has given & them

In further proof that t adoption should be recognized by Congress & ye (t adoption?) all honors & prerogatives enjoyed by Prince, seems ye premature if it were any specific & prominent action which it is desired that Congt should take on t occasion - unless indeed ye Prince intends & dedicates him & them in favor of t adoption &c

I am sorry to say that since my last letter not a drop of rain has fallen in these parts and our dry crops are suffering and dear has not been known - Winds are blowing up with a promise of rain -

Remain yours sincerely Benjamin
